

Hi all!

Hereby a list of all the Brutus events in the coming months. Would be great if the specific given areas could stay clear of artworks on the following days or weeks:

April 23: videoclip shoot by Motel Mozaïque

Would be great if you could keep the space in between the pillars empty in the Kathedraal. Works by AVL can be placed in the areas outside of these pillars.

May 5: Vrijheidsmaaltijd

Sunny weather scenario: event in Sculpture Garden.

Bad weather scenario: event inside Kathedraal. We will be placing 3 tables with 10 people (30 people total) between the artworks.

May 18 - 22: Rotterdam Art Week

Artworks by AVL in the Kathedraal. Be aware: in case of bad weather on May 20, the Art Week party will be hosted in the Kathedraal (see below).

May 20: Art Week party @ Brutus in collaboration with Operator

Sunny weather scenario: party will be hosted outside in the Sculpture Garden. Please keep the area underneath the roof in the sculpture garden free, where we will install a band and a DJ-set. Farmhouse and area around that will be occupied by a bar.

Bad weather scenario: party will be hosted in Kathedraal. We might have to move some artworks by AVL in order to secure them. Also we need to keep an area empty for the band and DJ-set: area to be determined.

May 23 - 29: Sun & Sea

Locations: Brutus, Kathedraal, some parts of the Sculpture Garden.

Please keep the area in the Sculpture Garden underneath the roof free, a bar will be installed here. Right behind the Keileweg entrance, on your right hand, an information desk will be installed by Sun & Sea - please keep this area free too.

May 24: dinner event in Kathedraal. AVL will place a few sculptures in the Kathedraal for this event and during the Sun & Sea performance, in consultation with Arianne.

Note: Kathedraal will be dimmed/darkened from May 23 - June 21. Please don't remove darkening canvases before June 21 :)

June 11: Film screening by Roffa Mon Amour

Location: Kathedraal

Kathedraal must be completely empty :)

June 21: Graduation show by Zadkine

Location: Kathedraal, Brutus

Both areas must be completely empty :)

June 20 - September 11: Brutaal (Group show w/ Rotterdam-based artists)

Locations: Kathedraal, Brutus, Barbaar, Barbarella, Ruïne, Laadruimte

All areas must be completely empty :)

August (length: two weeks, specific dates to be announced): Roffa Mon Amour (film festival)

Location: Sculpture Garden

The lay-out of the festival will be the same as last year:

- One container placed on the AVL parking lot (for the projector).
- Film screen will be placed in front of the Technocraat.
- They will build their own information desk, on the same location as the information desk by Sun & Sea.

Thanks in advance!
